I hereby certify that this correspondence is being deposited with

Class Mail in an envelope addressed to: Commissioner for Patents,

*Penny L. Lurie*

Applicants acknowledge with appreciation the Notice of Allowability and Issue Fee Due form mailed November 3, 2004 acknowledging the filing of an Information Disclosure Statement on June 9, 2004.

The Notice of Allowability did not, however, include an initialed Form PTO-1449 acknowledging the Information Disclosure Statement filed October 21, 2004. Also, upon further review, it was noted that reference JP03-024717 on page 2 of 5 of the Information Disclosure Statement filed July 1, 1998 was not initialed by the Examiner. The same IDS contains several references that were initialed and lined through without explanation from the Examiner. Therefore, it is respectfully requested that the Examiner evidence consideration of the references cited in the IDS of October 21, 2004 and July 1, 1998 by providing a copy of the initialed Form PTO-1449.

If a conference would be beneficial in expediting the prosecution of the instant application, the Examiner is invited to telephone the undersigned to arrange such a conference.

Respectfully submitted,
